Jul 19, 2022 (Vehement Media via COMTEX) -- **Are you self-taught?**

Buellton, California -- I am self-taught. I used to live in a neighborhood that had its own basketball court, and tennis court along with a golf course. I used to sneak down to play golf after hours, because I thought it was my playground. I mean I had the tennis court and basketball court to play whenever I wanted, so why not the golf course? I was a kid.

What is your best achievement, thus far?

I have made a hole-in-one! I think I have made two hole-in-ones, but my memory is foggy. I can shoot a par 72, which puts me in good company based on my research. As an adult, I notice that a lot of professional cuts happen around par 72, so I might even become a professional.

What are your goals as a golfer?

My goal is to become a professional golfer. I want to make golf cuts and get better as a golfer. Sure, the winnings are nice, but I enjoy golf as a personal development game where I compete with myself. I want to earn sponsors, which I am working on now. I am searching for golf sponsors in the areas of shoes, clothes, hats, equipment, food/beverage, nutritional supplements, gym, hotel/travel, approximately 20 sponsorship categories.
