### **Ricardo Santiago Soto releases new single 'Art @ Play' with music video**

(Buellton, CA) [Ricardo Santiago Soto](#) announces the release of Art @ Play on all music platforms along with a music video on YouTube Music.

Art @ Play is about Ricardo Santiago Soto taking private art lessons in a gallery as a kid.

"Art is the craft of turning a blank piece of paper into beauty," declared Soto, "I enjoy creating value out of nothing."

Art was the skill set where Ricardo was no longer alone as he created enjoyment for himself, became more focused, assisted his creativity/imagination, participated in fine art awards, entertained people, and made friends.

The music track is electronic dance music (EDM) with tweaked vocals to Soto's written lyrics. The lyrics, and music production are all original.
